WASHINGTON MONTESSORI SCHOOL ANNUAL APPEAL 2006-07

Washington Montessori School

240 Litchfield Turnpike

New Preston, Connecticut 06777

...but money really
does grow on trees...

...during the WMS 2006 Annual Appeal!

This year, when parents, alumni, and friends give to the WMS Annual Appeal, their gift will multiply and grow, just like that proverbial money tree you never thought existed.

A group of anonymous supporters has pledged to match up to \$250,000 based on the percentage of parent donors to the Annual Appeal and the total amount raised.

So, the more people who give, the more our tree will grow to nourish the programs that make Washington Montessori School such a special place.

Annual Appeal Giving Levels

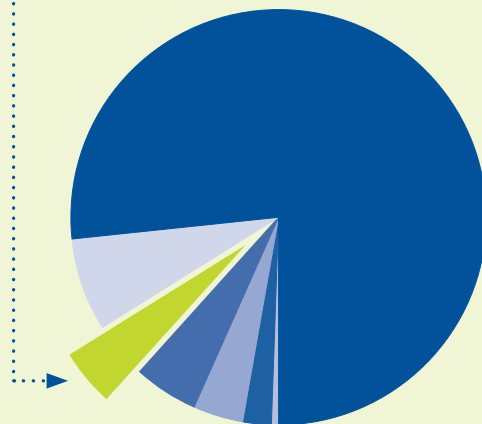

- Founder: \$5,000 and up
- Benefactor: \$3,000 to \$4,999
- Leader: \$1,000 to \$2,999
- Mentor: \$500 to \$999
- Friend: up to \$499

$\% \text{ of parent donors} \times \text{total raised} = \text{challenge gift match}$
(up to \$250,000)

The more people who give, the more our tree will grow!

WHAT IS THE ANNUAL APPEAL?

Tuition alone cannot cover the programs that make Washington Montessori School such an exceptional place to learn. The Annual Appeal supplements our operating budget by:

- Maintaining our beautiful new facility
- Providing financial aid to families in need
- Funding special programs to enhance the curriculum
- Supporting faculty development
