THEATER WORKSHOP (for first through fifth year)

Calling all thespians! For kids who are serious about theater, this camp is a wonderful introduction to all aspects of the performing arts, including acting, singing and dancing, as well as lighting, sound, costumes and props. Kids should be focused and ready to work as they prepare a stage performance loosely based on The Wizard of Oz & Wicked, which will focus on the importance of being kind to the environment. This is an original show, written by our talented theater staffer, Liz.

Elizabeth Hawley, a WMS graduate, has been involved with community theater for 13 years. She is the youngest member of the board of directors at the Sherman Playhouse and is currently in Sleeping Beauty at the Sherman Playhouse in Sherman, CT. She has performed off Broadway at the Cherry Lane Theater and is currently a senior at Wagner College.
